### Princess V65 - Escape

'Escape' is a Princess V65 from 2007 that has gone through a great refit in 2017-18. She's a very comfortable charter boat, ideal for both day trips and long-term cruises. Her sun-pads in the aft & bow, u-shaped seating area, and hard-top roof, offer a variety of spaces to enjoy the outside. Below deck, she has a spacious saloon with a sitting area and dining table, a galley with bar and 3 cabins (2 double, 1 twin). Contact us for more information and availability.
