### PARDO 38 - SOHOI

For those seeking luxury, comfort, and excellent performance, this is the ideal day boat. Her deck is full of creative details, including the eating space, which has a table and two chairs but can quickly transform into a larger table for 6–8 guests or a sizable additional sundeck that can be completely shaded from the sun with a Bimini. One cabin has a double bed and a separate shower/headspace, and the other has two single beds. Her interior is light and roomy, with generous height and excellent natural ventilation. Contact us for more information and availability.
