

Novamarine BS120

The Novamarine BS120 is a high-performance RIB that delivers the perfect blend of luxury, speed, and comfort. With a sleek design and deep V hull, she cuts through the sea with precision, offering a smooth and stable ride even at high speeds. The spacious open layout features generous sunbeds at the bow and stern, plus comfortable seating for up to 10 guests. A sleek carbon T-top offers shade, while the sound system and onboard fridge make her ideal for lively day charters. Whether you're chasing crystal-clear coves or cruising the coastline, the BS120 is made to impress. Contact us for more details and availability.
